

Wisconsin 2012 Member Premium – Low Income Subsidy

Extra Help

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare. The amount of extra help you get will determine your total monthly plan premium as a member of our Plan. Click the [Best Available Evidence \(BAE\)](#) link, found on the CMS website to find more resources for low income subsidy beneficiaries.
