Care Improvement Plus

Pharmacy Directory

This booklet provides a list of Care Improvement Plus's network pharmacies. **This directory is for Maryland.** All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Care Improvement Plus network pharmacies in your area, please visit our Web site at www.careimprovementplus.com or call our Pharmacy Services at 1-866-673-3561, 7 days-a-week, 24 hours a day. (TTY/TDD Users should call 1-866-673-3563.)

This Directory is current as of November 2009.

A pharmacy listing in the directory does not guarantee the pharmacy is still in the network. The inclusion of a pharmacy does not guarantee that the pharmacy is open or is at the same location as listed in the Directory.

Introduction

This booklet provides a list of Care Improvement Plus's network pharmacies. **To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Care Improvement Plus's formulary.** If you have additional questions, please call our Pharmacy Services at 1-866-673-3561, 7 days-a-week, 24 hours a day. TTY/TDD users should call 1-866-673-3563. Or, visit www.careimprovementplus.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Care Improvement Plus. In most cases, your prescriptions are covered under Care Improvement Plus only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
