

Health, Allergy & Medication Questionnaire

Your answers to the following questions will help us provide your prescription drug benefit services including, for example, filling your prescriptions and alerting your doctor about possible medication problems. To best serve you, we need to know what prescription and nonprescription medications you are currently taking. We also need to know if you have any known allergies, conditions or diseases.

Please complete this questionnaire only for the person whose name is on the ID card.

- If your health, allergy and/or medications information does not fit on the form you can provide additional information on plain paper and attach to this form.
- If you need additional forms you may call your toll-free Customer Service number located on the back of your ID card.
- Return this questionnaire with your prescriptions and your completed **Medco By Mail** order form in the envelope provided.
